**Kālacakra and the Tibetan Calendar** Edward Henning, 2007 Kalacakra and the Tibetan Calendar describes the contents of current Tibetan almanacs from basic mathematics to symbolic and historical information Essential for understanding the Kalacakra Tantra's first chapter this book describes the origin of the calendrical systems in this Tantra and translates and elucidates the relevant sections from its famous commentary the Vimalaprabha The main calendars in use in Tibet today have remained unchanged since the 15th century when lamas in several different traditions tried to make sense of the calculation systems they had inherited from India and to adjust them to remove increasingly obvious errors This

book analyzes the main systems that survive today assessing their accuracy and comparing them with the methods described in the original Tantra Published by American Institute of Buddhist Studies AIBS Frontier Tibet Stéphane Gros,2025-10-01

Frontier Tibet Patterns of Change in the Sino Tibetan Borderlands addresses a historical sequence that sealed the future of the Sino Tibetan borderlands It considers how starting in the late nineteenth century imperial formations and emerging nation states developed competing schemes of integration and debated about where the border between China and Tibet should be It also ponders the ways in which this border is internalised today creating within the People s Republic of China a space that retains some characteristics of a historical frontier The region of eastern Tibet called Kham the focus of this volume is a productive lens through which processes of place making and frontier dynamics can be analysed Using historical records and ethnography the authors challenge purely externalist approaches to convey a sense of Kham s own centrality and the agency of the actors involved They contribute to a history from below that is relevant to the history of China and Tibet and of comparative value for borderland studies **China** Michael Dillon,2021-07-15 In this complete guide to modern China Michael Dillon takes students through its social political and economic changes from the Qing Empire through the civil war and the Communist state to its incarnation as a hybrid capitalist superpower Key features of the new edition include A brand new chapter on the Xi Jinping premiership Coverage of the recent developments in Hong Kong Unique analysis of Tibet and Xinjiang Teaching aides including biographies of leading figures timelines and a glossary Clearly and compellingly written this textbook is essential for any student of the history or politics of modern China Chase's Calendar of Events 2015 Editors of Chase's Calendar of Events,2014-10-17 Publisher s Note Products purchased from Third Party sellers are not guaranteed by the publisher for quality authenticity or access to any online entitlements included with the product 12 500 entries 196 countries 365 days Find out what s going on any day of the year anywhere across the globe If you re looking to tie a promotional event to a special month travel to a music festival halfway around the world blog about a historical milestone or do a celebrity birthday round up on your radio show or Twitter feed Chase s Calendar of Events is the one resource that has it all For broadcasters journalists event planners public relations professionals librarians editors writers or simply the curious this is one reference you can t do without Chase s Calendar of Events 2015 brings you Major sporting events such as the FIFA Women s World Cup June 6 the Pan American Games July 10 and the 48th Transpacific Yacht Race July 13 Milestones such as the 800th anniversary of the Magna Carta 200th anniversary of Waterloo 150th anniversary of Lincoln s assassination 75th anniversary of Dunkirk and the Battle of Britain 150th birth anniversary of poet W B Yeats and much more New birthday entries for news makers like the new king of Spain Felipe VI of Bourbon and Greece Jan 30 or political activist Nadezhda Tolokonnikova Nov 7 sports stars such as Meryl Davis Jan 1 and Johnny Manziel Dec 6 and entertainers Lupita Nyong o Mar 1 Chiwetel Ejiofor July 10 Jamie Dornan May 1 Dakota Johnson Oct 4 Lorde Nov 7 and Macklemore June 19 New special days such as Take Your Poet to Work Day July 15 National Black Women in Jazz and the
