The Conservative Case for Trump Phyllis Schlafly, Ed Martin, Brett M. Decker, 2016-09-06 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country

Team Trump and the Evangelical White House G. J. Hocking, 2020-06-26 In Team Trump and the Evangelical White House the author paints perhaps a different picture of Donald J Trump than you will find in the mainstream media With so many Trump Thumping articles opinion pieces and news stories doing the rounds today it is refreshing therefore to get a glimpse into a different side of the Trump White House Surprisingly the author shows a faith friendly president whose relationship with evangelicals goes back nearly two decades As the author proposes throughout Trump s Team has energized evangelical Christians in a way not seen for a long time Some even hark back in their comparisons of the current White House to the Reagan era This was when the well known Moral Majority backed a former Hollywood actor launching Ronald Reagan into the fortieth presidency The book begins by exploring why

picking V P Pence made sense in bringing evangelicals on board with the Trump agenda You ll also see how the White House welcome mat is once again out for evangelicals as the front door is always open to people of faith Prayer Force One will give you a glimpse perhaps of a side of Donald Trump you may not have seen as he prays with faith leaders These fifteen chapters will look at how the White House was won and may yet be won again with evangelical support in 2020 **Trump Unhinged** Greg Sterlace,2017-11-13 I hardly used to care about politics What was it to me what those fat cats down in Washington were doing How did it affect my life Then along comes Trump the fattest cat of them all Suddenly I am a political junkie I care deeply about social issues I go from having no feelings about Hilary Clinton to being her biggest fan This book is a collection of what I ve read and who I ve become in the crazy days of Trump Trump Beyond Books Editors,2015-11-10 Only one man stands above the herd this election season but who is he What does he stand for Here in this ultimate collection of his best quotes we meet the billionaire mogul TV star and possibly the next President of the United States of America Donald Trump Trump The Good the Bad and the Quotable is the ultimate collection of Donald Trump s best lines on everything he loves to talk about women he loves women he hates the American Dream immigrants he hates the power of money and most important of all himself With over two hundred of his wittiest most humorous quotes plus a shrink s exclusive psychological diagnosis of Trump this collection shows us the real Trump who we just can t get enough of Or as Trump once put in an interview with Playboy The show is Trump And it is sold out performances everywhere So get your ticket today *Author in Chief* Michael B. Costanzo,2019-04-29 With the publication of his Personal Memoirs in 1885 Ulysses S Grant established what is today known as the presidential memoir Every U S president since Benjamin Harrison has written one and many have turned to other forms of writing as well This book covers the history of works including autobiographies diaries political manifestos speeches fiction and poetry authored by U S presidents and published prior to during or after their terms The writing was easy for some harder for others with varying success from literary comebacks and bestsellers to false starts and failures *Dangerous Charisma* Jerrold Post,2019-11-05 Offering an in depth psychological and political portrait of what makes Donald Trump tick Dangerous Charisma combines psychoanalysis with an investigation into the personality of the current American president This narrative not only examines the life and psychology of Donald Trump but will also provide an analysis of the charismatic psychological tie between Trump and his supporters While there are many books on Donald Trump there has been no rigorous psychological portrait by a psychiatrist who specializes in political personality profiling As the founding director of the CIA s Center for the Analysis of Personality and Political Behavior Dr Post has created profiles of world leaders for the use of American presidents during historic events As once stated by Jane Mayer of the New Yorker who characterized Dr Post as a pioneer in the field of political personality profiling he may be the only psychiatrist who has specialized in the self esteem problems of both Osama bin Laden and Saddam Hussein In this new book the psychiatrist who once served under five American presidents applies his expertise to profiling the current resident in the White House with
