*Box Office*, 1961 *Bring It On* Kase Wickman, 2022-12-06. Featuring dozens of interviews with the cast and crew, fans of the franchise, film scholars, former and current cheerleaders, fellow filmmakers, and more. Gabrielle Union, Kirsten Dunst, and Eliza Dushku have all risen to fame since their performances in the original cheer classic, but boldface names like Solange Knowles, Rihanna, Hayden Panettiere, Ashley Tisdale, and more also appeared in *Bring It On* films. The first-time director who helmed the movie, Peyton Reed, now has multiple Marvel smash hit films under his belt. Not bad for a movie that almost didn't get greenlit in the first place but went on to win the box office its opening weekend gross more than 90.45 million worldwide and spawn a half dozen sequels, a Tony-nominated musical, and a whole new genre of female-led films. With the support of the filmmakers and producers, author and pop culture expert Kase Wickman accessed Universal's archives and conducted new interviews with cast, crew, and more for a full reveal of all the stories fans will love in this complete history and examination of the legacy of the greatest cheerleading movie almost never made. Beyond its 20th anniversary, the legacy of *Bring It On* endures. It's time we all understood how it changed like everything.

*When I Think of You* Myah Ariel, 2024-04-16. In this sweeping second-chance romance from debut author Myah Ariel, the unexpected spark of two former flames may force them to choose between their dreams and each other. Kaliya Wilson has paid her dues. But all the years behind the reception desk at a flashy film studio have only pushed her movie-making dreams further out of reach. That is until a surprise reunion presents an opportunity that could make her career or break her heart a second time. It's been seven years since Kaliya's whirlwind college romance with Danny Prescott went up in flames. While her passions have stalled, his career is taking off. So when the hot-shot director reappears to offer her a job on his next production, it's a shock to the system. Working with Danny may recapture the intensity of their film school days, but trusting him again won't come as easily. As the pair allows themselves the openness and vulnerability to entrust their deepest truths to each other, the possibility of a true connection draws ever closer. But when Hollywood politics and scandal threaten to sink the production and her career, Kaliya may have to risk everything to do what's right, even if it means letting go of the second-chance love of a lifetime.
