

Morning Work- The Last 90 Days

This workbook was created to support students as they grow into confident, capable, and independent young adults—one skill at a time. With just 15-20 minutes a day, students will build social communication skills, learn how to navigate real-world situations, and reflect on their own interests, choices, and goals.

Each daily page includes a short, realistic conversation, comprehension questions, social reflections, functional math, functional reading and writing practice, and journaling prompts to use solo or with no more than independently or in small groups. Whether you’re starting the school day, transitioning between activities, or using it as a daily IEP, work, or life notebook, this series builds strong routines.

Why It Works:

- **Change for each day** — Just open to today's page and begin. No prep-work needed.
- **Student friendly text** — Paragraphs and structures support confidence and engagement.
- **Real-world references** — Each page connects directly to school, home, work, or the community.
- **Supports IEP goals** — Aligned with social, behavioral, and transition planning targets.
- **Teacher approved** — Builds strong routines while promoting meaningful discussions and skill growth.
