

# The United States of America

The United States of America is a country in North America. It is made up of 50 states. The capital of the United States is Washington D.C. The United States is a big country with many different types of landscapes, like mountains, forests, deserts, and beaches. The United States is also home to many different types of animals, like bears, eagles, and alligators.

The United States has a lot of history. The first people who lived in the United States were Native Americans. Later, people from Europe came to the United States and started colonies.

The United States became an independent country in 1776. The first president of the United States was George Washington.

The United States is known for its culture, too. There are many different types of music that came from the United States, like jazz, blues, and rock and roll. The United States is also known for its food, like hamburgers, hot dogs, and apple pie. Every year, people from all over the world come to the United States to visit famous landmarks, like the Statue of Liberty, the Grand Canyon, and Disneyland.

**Come Sign with Us** Jan Christian Hafer, Robert Mills Wilson, 1996 Here is a fully illustrated activities manual for teaching children sign language. *Come Sign With Us* features more than 300 line drawings of adults and children signing familiar words, phrases, and sentences using American Sign Language (ASL) signs in English word order. Each of the twenty lively lessons introduces ten selected target vocabulary words in a format familiar and exciting to children. Used in conjunction with reading and grammar studies, sign language can improve vocabulary retention and reading comprehension. All signs have equivalent words listed in English and Spanish as well. *Come Sign With Us* shows exactly how to form each sign and offers a variety of follow up activities and practice signing in realistic situations. [Paving the Way in Reading and Writing](#) Larry Lewin, 2003-04-07 Definition of Topic Middle and high school teachers note that all too many adolescent students are less than proficient in reading and writing the twin pillars of literacy. Teaching such students to meet today's tougher educational standards can be a challenge. Emphasizing the important connections between comprehension, communication, and learning, this book offers teachers in all content areas a structured approach for enabling students to strengthen their reading and writing competency and thus boast their potential for academic success. Drawing on the author's extensive experience as a teacher and teacher trainer as well as on relevant theory and research, the book presents an arsenal of instructional strategies aimed at improving comprehension and written expression in all types of students. The approach is motivational as well as practical and features extensive tools and techniques for helping students overcome their reading and writing fears. Persist in their practice, build on their success, and finally to share what they've learned. The book features many dozens of teacher tested activities, lessons, and exercises that can be adapted in any classroom and is abundantly illustrated with examples of student work. Lessons involving literary as well as informational texts are included as are visualization and interpretive exercises aimed at appealing to the less verbally oriented students. The book also provides extensive guidance and tools for helping students improve their vocabulary, grammar, spelling, and other language skills as well as their ability to conduct research and access on line resources. In addition a special reference

section of the book features extensive listings of web based instructional tools and curricular resources for teachers to use in planning lessons activities and assignments. This book will serve as an indispensable resource for teachers seeking to build student skills in comprehension, communication and learning. *Selling Points 1* Presents a proven instructional framework as well. **The Deaf Schoolchild** R.
