The 2020 Presidential Campaign Robert E. Denton Jr., 2021-06-10 As he has done for each presidential campaign since 1992 Robert E Denton Jr gathers a diverse collection of communications scholars to analyze specific areas of the most recent campaign season Topics include early campaign rhetoric the nomination process and conventions candidate strategies presidential debates political advertising the use of new media and coverage of the campaigns This volume looks at the 2020 presidential campaign from three perspectives The first section addresses the major political campaign communication areas including pre primary candidate surfacing the conventions the debates political advertising social media and news coverage of the campaign The second section includes two unique perspectives on political branding and the politics of food in the 2020 campaign The final section of the volume provides the broad overviews of campaign spending and finance as well as the national perspective of explaining the vote Thus the chapters cluster around the themes of campaign communication studies of unique or special topics relevant to the campaigns and the overall election

Online Games, Social Narratives Esther MacCallum-Stewart, 2014-06-13 The study of online gaming is changing It is no longer enough to analyse one type of online community in order to understand the plethora of players who take part in online worlds and the behaviours they exhibit MacCallum Stewart studies the different ways in which online games create social environments and how players choose to interpret these These games vary from the immensely popular social networking games on Facebook such as Farmville to Massively Multiplayer Online Roleplaying Games to Free to Play online gaming and console communities such as players of Xbox Live and PS3 games Each chapter deals with a different aspect of social gaming online breaking down when games are social and what narrative devices make them so This cross disciplinary study will appeal to those interested in cyberculture the evolution of gaming technology and sociologies of media

Cybercrime and Digital Deviance Roderick S.

Graham, 'Shawn K. Smith, 2024-04-30 Cybercrime and Digital Deviance Second Edition combines insights from sociology criminology psychology and cybersecurity to explore cybercrimes such as hacking identity theft and romance scams along with forms of digital deviance such as pornography addiction trolling and canceling people for perceived violations of norms Other issues are explored including cybercrime investigations nation state cybercrime the use of algorithms in policing cybervictimization and expanded discussion of the theories used to explain cybercrime Graham and Smith conceptualize the online space as a distinct environment for social interaction framing their work with assumptions informed by their respective work in urban sociology and spatial criminology and offering an engaging entry point for understanding what may appear to be a technologically complex course of study The authors apply a modified version of a typology developed by David Wall cybertrespass cyberfraud cyberviolence and cyberpornography This typology is simple enough for students just beginning their inquiry into cybercrime while its use of legal categories of trespassing fraud violent crimes against persons and moral transgressions provides a solid foundation for deeper study In this edition each chapter includes a new Current Events and Critical Thinking section using concepts from the chapter to explore a specific event or topic like the effect of disinformation on social cohesion and politics Taken together Graham and Smith s application of a digital environment and Wall s cybercrime typology makes this an ideal upper level text for students in sociology and criminal justice It is also an ideal introductory text for students within the emerging disciplines of cybercrime and cybersecurity

Pages to Paychecks: Escape confusion, publish your first book fast, and follow a proven system to earn royalties on autopilot Serena Valmont, 2025-09-09 You ve heard the stories ordinary people earning passive income every month from books they wrote or even journals and planners with little to no writing required But when you try to figure it out yourself the process feels confusing technical and overwhelming Pages to Paychecks is the ultimate beginner s guide to turning Amazon KDP into a source of recurring income Inside you ll learn exactly how to format publish and market eBooks journals and low content books without expensive software big budgets or endless trial and error Step by step you ll discover how to launch your first book quickly and scale your publishing into a profitable side hustle or even a full time business If you ve ever dreamed of earning royalties in your sleep this book gives you the confidence and system to make it happen **Profit From Everyday**

Tools You Ignore: How Simplicity Beats Complex Startup Ideas Ahmed Musa, 2025-05-31 You don t need the next big idea You need to see what s already in front of you Profit From Everyday Tools You Ignore challenges the myth that successful businesses must be built on complex technology flashy innovation or venture backed disruption The truth Most thriving digital entrepreneurs are using simple overlooked tools to solve everyday problems and getting paid well for it This book shows you how to take inventory of what you already know what you already use and what people already need and turn it into products services or systems that sell You ll learn how to use familiar tools like spreadsheets documents voice memos basic design apps and email to deliver powerful outcomes that don t require coding a massive team or a fancy app

You'll realize that complexity often becomes an excuse for procrastination. But simplicity sells. Simplicity scales. Simplicity wins. Stop waiting for funding, perfection, or the perfect idea. The tools you've ignored are probably all you need to launch something profitable, sustainable, and helpful. Sometimes the smartest way to start a business is with what's already in your hands.
