Sheehan, 2018-10-12 Paranormal romance author Eileen Sheehan is taking the world by storm with stories that will make you laugh cry angry sad and just plain happy you read them As she climbs the ladder of author popularity she brings to you fresh new stories that will entertain you with a few thrills a bit of mystery and of course romance STEAMY PARANORMAL ROMANCE I found another book boyfriend What an imagination I absolutely loved this story First it was the cover that got me hooked Then oh the story I just lived in the pages until the last one It was romantic sexy fast and a steadily developing story with a yummy book boyfriend in it I shall be following this author from now on I have to say this author does not disappoint This is the 2nd book by this author I've read and I can't wait to read more Her books are awesome I love that the books start

off with a bang and don't stop until the end. This book was no exception. There's love, betrayal, kidnapping, lies, and did I say love? This book just has it all. If you like alpha males, love triangles, and lots of action, this book is for you. This author doesn't disappoint me. I'd love to climb inside her head for a day to see how she manages to come up with some of the things she writes. She's creative, entertaining, and surprising. I hate it when reviewers spill the beans about the story by giving too many details about the plot, so I'm just going to say that the book was written in Jessica's point of view. I found Jessica's personality to be funny at times, which added to the pleasure of the read. If you want a fast-paced vampire romance that has a few aliens and a bit of interplanetary teleporting in it, this book is the book for you. As it has been with all of Eileen Sheehan's books so far, I enjoyed it enough to give it 5 stars. I hope she keeps them coming. If there is one thing you can say about Eileen's books, it's that they are never boring. This book is action-packed; once you start reading it, you won't want to put it down. The characters are great, well-developed, and relatable. Loved the plot; it's different than other books I've read, which is a nice change. This book just doesn't disappoint with all its twists and turns. I highly recommend it. Jessica does not know who she is beyond being Jessica, an orphaned child that is being raised by her Aunt. One day, her fiancee gets upset with her and drives off when she refuses to get into the car with him because he has been drinking. She is kidnapped. Who kidnaps her, and why? Who finds her and rescues her? Where is she taken to by those who kidnapped her? Why is she kept in a cave until the day someone else shows up and they leave? Who is this Loana woman that shows up one day and then dogs Jessica at every turn? What does she have to do with all this? Who are Jack Org and Mark? What do each of these men have to do with Jessica or want from Jessica? Things get tricky with Jack when Org comes into the picture. When Loana spills some info after having Jack knocked out and Org drugged, what happens? Where is she taken? Who helps her, and why? When she gets home, what happens when Jack, Org, and Mark all come together and more secrets are revealed? This was an incredible read. I will not say what Jess' choice is, so you can be surprised. **DESCRIPTION:** What happens when the king of vampires on Planet Earth and the heir to the throne of Planet Kurr fall in love? Jessica was raised on Earth and had no idea she was the princess of the planet Kurr and heir to its throne until she is captured by the evil flesh-eating Dragos and then rescued by Jack, the king of the vampires on Earth. Unbeknownst to Jessica, Jack has been guarding her for most of her life from the shadows as a promise to her deceased father. Over those years, he grew to love and desire her. Now that he is... **Kings & Queens: Book 3 of the Vampire Witch Trilogy**

slab When he meets Evelyn something about her unnerves him though he can't say why Their partnership crackles with tension curiosity and an undeniable pull neither can explain But the trail leads them somewhere darker than either expected a rogue vampire with no regard for secrecy and a witch whose magic threatens to unbind the fragile veil between the living and the dead As Evelyn and Johnathan fight to uncover the truth old wounds resurface forbidden desires ignite and the line between hunter and hunted begins to blur In a world where blood ties mean everything love may be the most dangerous mystery of all Here's What a 5 star award review said about it Reviewed by Olga Markova for Readers Favorite The Difference Between Us by award winning author Eileen Sheehan is an engrossing blend of crime mystery paranormal fiction and romance Homicide Detective Johnathan Hale is investigating a mystery someone in the city is draining blood from recently deceased persons The only thing in common between these corpses is that they are bloodless At a crime scene Johnathan meets Coroner Evelyn Spark and before long they fall in love But unknown to Johnathan Evelyn is also investigating by stealth the mystery of bloodless corpses She is a vampire feeding on the blood of the recently deceased and a thief is stealing her food The head of the Vampire Council has mandated her to find the culprit But will Johnathan and Evelyn find the perpetrator And what lies ahead for their romance The Difference Between Us is a shining example of Eileen Sheehan's understanding of the entertainment value of novels to be enjoyed over one or two evenings Spellbound I read this immersive fast moving suspenseful and twisty mystery in two sittings I instantly took to Evelyn and Johnathan and thoroughly enjoyed their investigations The human vampire romantic scenes added suspense to the storyline and the humour offered a respite from the plot's tensions I also enjoyed the spectacular magical combat sophisticated witchcraft and the history of vampires and witches But most of all I appreciated the thought provoking manifestations of the sibling bond and the pitfalls and advantages of truths over lies I highly recommend this fascinating story to mature fans of crime mysteries and paranormal romance
