Inside you will find the most commonly requested music for wedding ceremonies from traditional favorites to beautiful classical pieces that are sure to provide an elegant musical experience. **The Fiddlin'**

**Workshop for Viola** Jeanine Orme, 2022-10-06 This book presents the most widely played fiddle tunes in easy to read arrangements for viola. The viola edition features the same tunes in the same keys as the author's original *The Fiddlin' Workshop* and *The Fiddlin' Workshop for Cello* so all three instruments could conceivably jam together. Designed for beginning through intermediate players, the arrangements progress in difficulty with each tune. A few tunes are presented in both easier and more challenging versions. In addition to helpful hints on fingerings and bowing, this collection contains suggested guitar accompaniment chords and a bit of fiddlin' history and related folklore. Includes access to an excellent online audio recording of the book's tunes and variations. *Traditional Hymns for Violin Solo or Duet* Karen Khanagov, 2024-01-18

This collection of traditional hymns is designed for solo violin duets or groups. The arrangements are not difficult but are well done musically. The pieces are ideal for offertories and for ensembles where rehearsal time is limited. The author encourages the more advanced violinists to add ornamentation where desired. Includes online audio performed by Karen Khanagov on piano and William Khanagov on violin that will aid in practice and interpretation for performance. In his words, "This collection is ideal for developing freedom while playing and for bringing one's spirit into the music." *In Concert: Intermediate Violin*

*Solos or Duets with Piano for Advent, Christmas, and the Holiday Season* Angela Birkhead-Flight, 2024-08-07 This collection of intermediate level Advent and Christmas pieces for violin and piano includes some well-loved classics as well as pieces that will be new discoveries. While both beautiful and fun to play as duets, these pieces can also be performed as solo works using the Violin I part with the piano accompaniment. Each piece goes beyond a straightforward presentation of the main melody to bring a sense of joy and wonder to both the musicians and the listeners. These arrangements provide excellent opportunities for expression and collaborative playing; the melody often moves from part to part. Original material and fiddle tunes enhance the original melodies. Perfect for use in church settings or in recitals as solos or as ensemble repertoire. In group classes, this collection will bring joy to your holiday season. *Angels We Have Heard on High* Gabriel's Message Cold
