

FLYER—Frank Hoffman, Dept. 6, illustrator at Convair Fort Worth, shows model that won trip to England to fly an American team in World Model Plane Meet.

To Fly for U. S.

Modeler's Plane Battles Gale And Wins Builder Trip Abroad

Fourteen minutes, 24 seconds, a large degree of skill and a solid knowledge of basic theory were a trip to England for Frank Hoffman, Convair Fort Worth engineer.

An engineering graduate in aeronautical engineering, Hoffman has drawing and design ability to good use in model plane work. It was this skill that got him on the American team that will compete in the World Championships finale in Crowthorne, England, on Sept. 19.

Hoffman won his trip in a competition staged in Dallas last month with the American team in the Fort Worth elimination meet on May 11.

His time in the second-round arena was 14 minutes and 24 seconds, with the first round at 13 minutes.

"It took me longer in the second round," he said. "That all depends on the type of engine, propeller, etc., and three types of gliders. It is a more, more competitive race in a more, more difficult situation. The closer you are to the 14, the better your chance of winning."

Hoffman didn't leave anything to chance in the final race, like the trim of his old model, which he had to make from scratch.

Such planes are designed for weight, speed, flight and maneuverability. Hoffman, 30, has been flying about three weeks now.

The model that he won will be the second, he said, which he has won.

Timekeeping, Payroll Plan Picnic at SD

Timekeeping and payroll employees at Convair Fort Worth, Division 10, held their annual picnic at Highway 80 at the site of their annual picnic scheduled for Aug. 12.

The entire facility has been served for their picnic, including the swimming pool, game and picnic areas, food service and parking areas, according to General Chairman Al Krumwiede.

Both Plant 1 and Plant 2 employees are invited to get tickets for their families and friends by calling ext. 547, Plant 1.

Edmunds' looking forward to July 19 for the top assignment in a lot of competition," he said. "There's no such thing as a model plane competition, but there are lots of other contests."

Only two others from Germany have been honored with the distinction and Dr. Frank Loeffel.

LONG WAIT—Nikolai Zhelezko, one-time concession for Convair's expedition to Russia, shown in Canada with his family, waited in New World after a decade of trying.

PBY Project Aide, Jailed in USSR, Finds Asylum in Canada—at Last

A man that Soviet officials had planned to be the tragic figure of a Russian who 12 years ago befriended a team of Convair engineers in the USSR and was to jail for.

It is the tale of Nikolai Zhelezko, now 64, who survived 12 years of prison and prison camps by means of German interpretation and a decade in displaced persons camps while trying to reach the U.S. with his wife, Barbara. Thanks in part to the encouragement and financial assistance of Convair engineers, Zhelezko is now in Canada, re-united with his family. (Continued, page 7, right)

The Convair engineers made Zhelezko a legend in Canada, and when USSR leaders they helped him from him, serving from a distinguished position as a member of the Soviet government, he arrived a story of hardship and suffering. Among them, the Convair men, who were friendly with the Americans. When one interpreter and then another disappeared, it took a month of time before Zhelezko was released.

The Convair engineers made Zhelezko a legend in Canada, and

Convair Girl's Voice On 'Hurt Me' Record Leads to a Contract

Convair Fort Worth people can be sure that when they hear the song "Hurt Me," coming over their radios these days, The voice belongs to Margaret McGuire, 18, who, it is understood, was a singer, 7th-strength at F.W.C.

McGuire made the recording at the studio of Federal 101. The 101 record company was sufficiently impressed to release the record and to put her under contract.

"Right now," she explained, "I don't sing, but when I do, I'm going to sing. We're expecting a new baby in our house. And I hope to have a voice again soon."

Wohler Honored at SD Exchange Club

Convair San Diego's C. H. (Chet) Wohler, 41, was elected July 11 as a member honor for 1954, when he was voted a life membership in the Exchange Club.

A member of the club since 1945 and twice president, Wohler was honored to resign two years ago due to the press of other duties.

Only two others from Germany have been honored with life membership. They are Bill Klemm and Dr. Frank Loeffel.

READY—Bob Frys shows off old-time guns—part of his collection. The Convair F.W. engineer keeps guns in top-notch shape and loads his own cartridges.

Old Cap & Ball Pistols Feature Gun Collection

When Bob Frys' parents gave him a gun when he was 12 years ago, he started the Convair Fort Worth engineering collection.

Through the years, Frys has added 12 more guns, among them a pair of 1895-year-old Colt Navy cap and ball pistols. Among them a 1903-year-old Colt and smaller Colt cap and ball pistol, made in 1842 and known then as the officers' model. Frys' collection is in an 1870 Springfield screw case.

"Like many government projects of the time, it was a secret," said Frys. "Army found they couldn't afford the money to buy a surplus type for their military planes, buying some from the surplus market," he said.

From more recent wars include a German Luger and a British 1914, obtained from the German Air Force during the second World War.

"We are not satisfied," Frys said, "in our work at Daingerfield in the foreseeable future," said J. E. Arnold, Convair Daingerfield Division manager.

The payroll at the Convair Aerophysics Laboratory averaged 325 employees for about 10 years, until a building started around the first of this year.

All the new work developing in recent years has kept the research facility about all the work it can handle.

We built up the staff," Noddy Morris, manager of industrial relations and assembly, has said.

Convair employees at Holloman AFB have formed a new organization called the "Friends of Friends." It is called "Friends of Friends."

The organization is entirely voluntary, but those who belong pledge to contribute to the annual break at central points to increase the donations.
