**Social Community Sites as the Trend in Web 2.0. How to Beat the Competition** Alexander Roggenkamp,2016-01-04 Master s Thesis from the year 2009 in the subject Business economics Offline Marketing and Online Marketing grade 1 5 University of Applied Sciences Essen language English abstract Since a few years many people talk about web 2 0 without knowing exactly what it is It is not a new web standard no new innovative product of Apple no net movement or revolution In fact it is a paraphrase for the new active role of users The technological progress makes it possible that users participate in internet actively Their role changed from a watching to a creating one New tools and features enabled users to generate content With other new websites social community websites came up using these new possibilities By now social communities like Facebook or studiVZ have millions of members The huge acceptance on users side made those websites a real trend in web 2 0 The huge number of users makes social communities to an interesting business Experts say that social communities are not only a trend but also an important business in future Although there are already some established companies acting on the market for social communities the market will see a lot of new social communities in the next years There are only a few general social communities dividing up the market And there are enough topics which are not occupied as yet Only those social communities will beat the

competition and will remain which are able to generate revenue and profit      *From Inquiry to Academic Writing: A Text and Reader* Stuart Greene, April Lidinsky, 2011-09-02 Academic writing is a conversation a collaborative exchange of ideas to pursue new knowledge *From Inquiry to Academic Writing A Text and Reader* demystifies cross curricular thinking and writing by breaking it down into a series of comprehensible habits and skills that students can learn in order to join in The extensive thematic reader opens up thought provoking conversations being held throughout the academy and in the culture at large Read the preface      **Streampunks** Robert Kyncl, Maany Peyvan, 2017-09-05 An entertainment and tech insider YouTube s chief business officer delivers the first detailed account of the rise of YouTube the creative minds who have capitalized on it to become pop culture stars and how streaming video is revolutionizing the media world In the past ten years the internet video platform YouTube has changed media and entertainment as profoundly as the invention of film radio and television did more than six decades earlier *Streampunks* is a firsthand account of this upstart company examining how it evolved and where it will take us next Sharing behind the scenes stories of YouTube s most influential stars *Streampunks* like Tyler Oakley Lilly Singh and Casey Neistat and the dealmakers brokering the future of entertainment like Scooter Braun and Shane Smith Robert Kyncl uses his experiences at three of the most innovative media companies HBO Netflix and YouTube to tell the story of streaming video and this modern pop culture juggernaut Collaborating with Google speechwriter Maany Peyvan Kyncl explains how the new rules of entertainment are being written and how and why the media landscape is radically changing while giving aspiring *Streampunks* some necessary advice to launch their own new media careers Kyncl persuasively argues that despite concerns about technology impoverishing artists or undermining artistic quality the new media revolution is actually fueling a creative boom and leading to more compelling diverse and immersive content Enlightening surprising and thoroughly entertaining *Streampunks* is a revelatory ride through the new media rebellion that is reshaping our world      *The Network Always Wins: How to Influence Customers, Stay Relevant, and Transform Your Organization to Move Faster than the Market* Peter Hinssen, 2015-04-10 The Definitive Business Guide to Surviving and Innovating in the Digital Age The world is changing faster than ever With the rise of new digital markets and the consequent network ization of our environment the phrase The customer is always right takes on a whole new meaning This powerful guide from serial entrepreneur and radical innovation consultant Peter Hinssen shows you how to keep your company up to speed with your market engage with customers at a time when loyalty keeps fading into the background and transform your organization into a network in order to thrive in this era of digital disruption *The Network Always Wins* provides step by step strategies to help you Reinvent your company even after the market has flipped Tap into the force of the network and survive in a market characterized by speed uncertainty and complexity Maintain relevance and stay on top of emerging trends Connect with your customers and encourage them to interact This business guide is as illuminating as it is pleasant and fun to read It provides everything you need to adapt your organization for this exciting new age of networks and digital
