Chokepoints Edward Fishman, 2025-02-25 AN INSTANT NEW YORK TIMES BESTSELLER Deftly written Chokepoints is a compelling and dramatic narrative about the new shape of geopolitics Daniel Yergin The Wall Street Journal Remarkable One of the most important books on economic warfare ever written Paul Kennedy author of The Rise and Fall of the Great Powers The epic story of how America turned the world economy into a weapon upending decades of globalization to take on a new authoritarian axis Russia China and Iran It used to be that ravaging another country's economy required blockading its ports and laying siege to its cities Now all it takes is a statement posted online by the U S government In Chokepoints Edward Fishman a former top State Department sanctions official takes us deep into the back rooms of power to reveal the untold history of the last two decades of U S foreign policy in which America renounced the gospel of globalization and waged a new kind of economic war As Vladimir Putin Xi Jinping and

Ayatollah Khamenei wreaked havoc on the world stage mavericks within the U S government built a fearsome new arsenal of economic weapons exploiting America s dominance in global finance and technology Successive U S presidents have relied on these unconventional weapons to address the most pressing national security threats for good and for ill Chokepoints provides a thrilling account of one of the most critical geopolitical developments of our time demystifying the complex strategies the U S government uses to harness the power of Wall Street Silicon Valley and Big Oil against America s enemies At the center of the narrative is an eclectic group of policy innovators the diplomats lawyers and financial whizzes who ve masterminded America s escalating economic wars against Russia China and Iran Economic warfare has become the primary way the United States confronts international crises and counters rivals Sometimes it has achieved spectacular success other times bitter failure The result we live with today is a new world order an economic arms race among great powers and a fracturing global economy Chokepoints is the definitive account of how America pioneered this new hard hitting style of economic war and how it s changing the world **New York Court of Appeals. Records and Briefs.** New York (State).,

Hurley's Heroes David Borges,2025-11-04 From rock bottom to national champions this is the blueprint behind Dan Hurley s UConn resurgence The UConn men s basketball program had won three national championships in a span of fifteen years its most recent just four years earlier But by 2018 the program was in shambles The Huskies had finished with a losing record in consecutive seasons for the first time in nearly forty years It had suffered a string of embarrassing blowout losses a mass wave of transfers out of the program and worst of all was embroiled in scandal involving recruiting and other violations Enter Dan Hurley A former Big East player and member of one of basketball s most famous families Hurley had performed impressive renovation projects at his three previous stops St Benedict s Prep Wagner College and the University of Rhode Island Now Hurley was hired to clean up the mess at UConn and return it to past glories He had a plan a blueprint recruit high character high level kids and by his fifth season he had turned the Huskies into national champions the program s fifth title in twenty four years How has Hurley done it Dogged recruiting Intense practices An eleven month season with players on campus all summer And most importantly establishing a culture at UConn that transcends whatever talent is on the floor and makes his teams as connected as any in the country In Hurley s Heroes award winning UConn beat writer David Borges tells the inside story of a driven coach and his team s return to their rightful place among the NCAA s elite **Mediaweek** ,2008-10 **One Fantastic Ride** Adam Lucas,Steve Kirschner,Matt Bowers,2009-11-02 One Fantastic Ride is a behind the

scenes portrait of the unforgettable journey to the University of North Carolina s 2009 basketball national championship the program s fifth NCAA Tournament title Adam Lucas Steve Kirschner and Matt Bowers were with the Tar Heels every step of the way interviewing coaches players and staff As the 2008 09 season opened national pundits widely considered the Tar Heels the hands down favorite to win the title But injuries to key players surprising midseason losses and formidable ACC competition made the ride bumpier than expected In the crucial last month of the season however a veteran team drew on

their experience and subtle adjustments by coaches and players to achieve the goal they'd set for themselves after their disappointing defeat in the 2008 Final Four. More than just a season in the life of a perennially excellent program, this book captures the crowning achievement of a senior class that exemplified the proud tradition of Carolina Basketball both on and off the court. They became the most decorated class in UNC Basketball history while enjoying every aspect of their Tar Heel experience. With Thoughts for the Day taken directly from Carolina Basketball practice plans and more than 200 color photographs, this book is a unique keepsake for fans everywhere. Full of insights from players and coaches, *One Fantastic Ride* takes an intimate look at how the Tar Heels pulled it all together to come out on top. **The New York Times Index**, 2001

USA Today Index, 1995 **Governance in Sport** Bonnie Tiell, 2025-06-17 At its core, sport governance encompasses two key elements: power and decision making. To truly grasp a sport organization's purpose and structure, it's essential to understand who wields power and which decisions are made by those who possess it. Regrettably, the abuse of power coupled with ineffective governance and lackluster leadership has fostered widespread corruption within sport organizations, a situation that calls for a renewed commitment to practicing principles of good governance and restoring integrity and ethical conduct. In response, the updated and enhanced *Governance in Sport: Analysis and Application*, Second Edition, aims to equip students with the skills to navigate both ordinary and extraordinary situations encountered in the oversight and authority of sport organizations at all levels. *Governance in Sport* examines sport governance from three broad analytical and applied perspectives: A legal and managerial overview of practices, processes, and policies in sport organizations encompassing ethical behavior, effective leadership, decision making, and policy development; A framework of the structures and functions of regulatory agencies that govern state, national, regional, and international sports; An applied overview of governance and authority in selected sectors of the industry, including professional sports, amateur sports, sports media, sports betting, esports, and more. Through examinations of contemporary hot button issues and compelling new case studies covering the Ukraine invasion, Brittney Griner, transgender athletes in sports, LIV Golf versus the PGA, conference realignment, name, image, and likeness (NIL) issues, the Kanjuruhan Stadium catastrophe, and the workplace misconduct in the Washington Commanders organization, students will see how governance differs in sport organizations at various levels in the United States and around the world. Additional new features include the following: Headlines begin each chapter, calling out incidents of corruption within the sport industry; Rules and Regulations Corners provide quick overviews of policies and laws affecting weighty issues; Combating Corruption sections offer best practices for preventing and minimizing behavior deemed illegal, unethical, or counterintuitive; Governance in Action case sidebars explore real-world examples of conflicts and conundrums related to the chapter topic and include discussion questions; suggested responses to the questions can be found in the instructor guide. Recorded lectures by author Bonnie Tiell are available for each chapter of the book. Instructors can use these videos to enhance their lectures. With *Governance in Sport*, students will develop an understanding of where power resides.
