Building Brand Communities Carrie Melissa Jones, Charles Vogl, 2020-06-09 An authentic brand community is more than just people buying your product or working alongside one another This book articulates the critical roles of mutual concern common values and shared experiences in creating fiercely loyal customer and collaborator relationships Smart organizations know that creating communities is the key to unlocking unprecedented outcomes But too many mistakenly rely on superficial transactional relationships as a foundation for community when really people want something deeper Carrie Melissa Jones and Charles Vogl argue that in an authentic and enriching community members have mutual concern for one another share personal values and join together in meaningful shared experiences whether online or off On the deepest level brands must help members grow into who they want to be Jones and Vogl present practices used by global brands like Yelp Etsy Twitch Harley Davidson Salesforce Airbnb Sephora and others to connect in a meaningful way with the people critical for their success They articulate how authentic communities can serve organizational goals in seven different areas innovation talent recruitment customer retention marketing customer service building transformational movements and creating community forums They also reveal principles to grow a new brand community to critical mass This is the first comprehensive guide to a crucial differentiator that gives organizations access to untapped enthusiasm and engagement

The World Made Meme Ryan M. Milner, 2018-04-13 How memetic media aggregate texts that are collectively created circulated and transformed become a part of public conversations that shape broader cultural debates Internet memes digital snippets that can make a joke make a point or make a connection are now a lingua franca of online life They are collectively created circulated and transformed by countless users across vast networks Most of us have seen the cat playing the piano Kanye interrupting Kanye interrupting the cat playing the piano In *The World Made Meme* Ryan Milner argues that memes and the memetic process are shaping public conversation It's hard to imagine a major pop cultural or political moment that doesn't generate a constellation of memetic texts Memetic media Milner writes offer participation by reappropriation balancing the familiar and the foreign as new iterations intertwine with established ideas New commentary is crafted by the mediated circulation and transformation of old ideas Through memetic media small strands weave together big conversations Milner considers the formal and social dimensions of memetic media and outlines five basic logics that structure them multimodality reappropriation resonance collectivism and spread He examines how memetic media both empower and exclude during public conversations exploring the potential for public voice despite everyday antagonisms Milner argues that memetic media enable the participation of many voices even in the midst of persistent inequality This new kind of participatory conversation he contends complicates the traditional culture industries When age old gatekeepers intertwine with new ways of sharing information the relationship between collective participation and individual expression becomes ambivalent For better or worse and Milner offers examples of both memetic media have changed the nature of public
