Readers will gain insight into the history and substance of what the early church believed about God the Father    *We Believe in One Holy Catholic and Apostolic Church* Angelo Di Berardino, 2010-01-29 This volume offers patristic comment on the second half of the third article of the Nicene Creed Readers will gain insight into the history and substance of what the early church believed about the nature of the church and the consummation of all things    **Drama of the Divine Economy**

Paul M. Blowers, 2012-10-11 The theology of creation interconnected with virtually every aspect of early Christian thought from Trinitarian doctrine to salvation to ethics Paul M Blowers provides an advanced introduction to the multiplex relation between Creator and creation as an object both of theological construction and religious devotion in the early church While revisiting the polemical dimension of Christian responses to Greco Roman philosophical cosmology and heterodox Gnostic and Marcionite traditions on the origin constitution and destiny of the cosmos Blowers focuses more substantially on the positive role of patristic theological interpretation of Genesis and other biblical creation texts in eliciting Christian perspectives on the multifaceted relation between Creator and creation Greek Syriac and Latin patristic commentators Blowers argues were ultimately motivated less by purely cosmological concerns than by the urge to depict creation as the enduring creative and redemptive strategy of the Trinity The drama of the divine economy which Blowers discerns in patristic theology and piety unfolded how the Creator invested the end of the world already in its beginning and thereupon worked through the concrete actions of Jesus Christ and the Holy Spirit to realize a new creation    **Pneumatology**

Veli-Matti Kärkkäinen, 2002-06-01 One of the most exciting recent developments in theology has been an unprecedented interest in the person and work of the Holy Spirit In fact Veli Matti Karkkainen describes this phenomenon as a pneumatological renaissance But such discussion should be informed he contends by two overarching principles First we must acknowledge the variety of approaches to the experience of the Holy Spirit ecumenically No church can claim a monopoly on the Spirit and no tradition is specifically spirited Second talk about the Spirit must always be contextual and therefore culture specific The spirit of God indwells believers and creation in specific and tangible ways Working from this perspective the book introduces readers to pneumatology the theology and spirituality of the Holy Spirit in current international theology As such the work offers a biblical historical and theological assessment of the Third Person of the Trinity However unlike most textbooks on pneumatology Karkkainen takes a fresh innovative approach Rather than focusing on any single topic his aim is to chart the various territories of contemporary writings and reflections on pneumatology Consequently the volume examines various theological and denominational understandings of the Spirit all major Christian traditions are reviewed assesses key contemporary theologians of the Spirit e g Pannenberg Moltmann and Pinnock and inquires into several contextual approaches e g liberation feminist and green These distinctives and the emphasis on the contemporary global scene make this a unique volume An up to date survey of the most noteworthy and theologically pregnant orientations to the Spirit in the worldwide ecumenical and intercultural scene this work will guide readers in

discerning the Holy Spirit's activity at the beginning of the third millennium discusses ecumenical international and contextual pneumatologies ecumenical emphasis ranges from Eastern Orthodox to Pentecostal charismatic international scope gives voice to African and Latin American perspectives covers major pneumatologies provides a comprehensive bibliography *Publishers' circular and booksellers' record*, 1883 **The Friend**, 1879 **The System Bible Study**, 1922 *The Christian Evangelist*, 1902 **Christian Register and Boston Observer**, 1906 **The Four Gospels, as Interpreted by the Early Church** Francis Henry Dunwell, 1876 **The New Schaff-Herzog Encyclopedia of Religious Knowledge** Albert Hauck, Samuel Macauley Jackson, Charles Colebrook Sherman, George William Gilmore, 1912 **Prophetic Studies of the International Prophetic Conference**, 1886 **The Holy Bible, Containing the Old & New Testaments**, 1888 *The Epworth Era*, 1922 **A Select Library of Nicene and Post-Nicene Fathers of the Christian Church: S.
