## **Weatherproofing Your Landscape A Homeowners Guide To Protecting And Rescuing Your Plants:**

*Weatherproofing Your Landscape* Sandra Dark, Dean Hill, 2011 A how to guide to defensive gardening A necessary resource for professionals universities botanical gardens horticultural clubs and anyone interested in saving their landscape from the increasing danger of threats from fire wind and flood Robert Haehle South Florida Sun Sentinel Covers many aspects of preparing your property for extreme weather events an important part of sustainable landscaping Ginny Stibolt author of Sustainable Gardening for Florida Global weather events are unpredictable Hurricanes tornadoes drought fire snow ice freezing temperatures and floods wreak millions of dollars in damage to residential landscapes each year Weatherproofing Your Landscape provides the practical information you need to strengthen precious and valuable trees and shrubs remove those that can't be saved and promptly restore what has been damaged For example your best bet where limited space or thin soil presents a potential tipping problem is to plant small stature species that develop balanced top growth to root system ratios as they mature Even where soil depth isn't a problem top heavy specimens are particularly vulnerable to tipping when the ground becomes saturated with rainfall Selecting proper species for such landscapes as well as improving drainage can help prevent losses from waterlogged soil Every part of the country is vulnerable to any combination of volatile weather events Weatherproofing Your Landscape supplies the answers on how to prepare manage and recover your valuable landscape including tips on what you can accomplish during a storm to minimize damage Journalist Sandra Dark's work has appeared in a wide range of publications including Gardening How To Organic Gardening The Family Food Garden and Mother Earth News She is a member of the Garden Writers Association and the American Society of Journalists and Authors Dean Hill ASLA was the cohost and landscape designer of the DIY Network's Grounds for Improvement television program and is the author of Grounds for Improvement 25 Great Landscaping Gardening Projects

**Greening in the Red Zone** Keith G. Tidball, Marianne E. Krasny, 2013-07-22 Creation and access to green spaces promotes individual human health especially in therapeutic contexts among those suffering traumatic events But what of the role of access to green space and the act of creating and caring for such places in promoting social health and well being Greening in the Red Zone asserts that creation and access to green spaces confers resilience and recovery in systems disrupted by violent conflict or disaster This edited volume provides evidence for this assertion through cases and examples The contributors to this volume use a variety of research and policy frameworks to explore how creation and access to green spaces in extreme situations might contribute to resistance recovery and resilience of social ecological systems
