

COMMODORE Production Centre Lathe

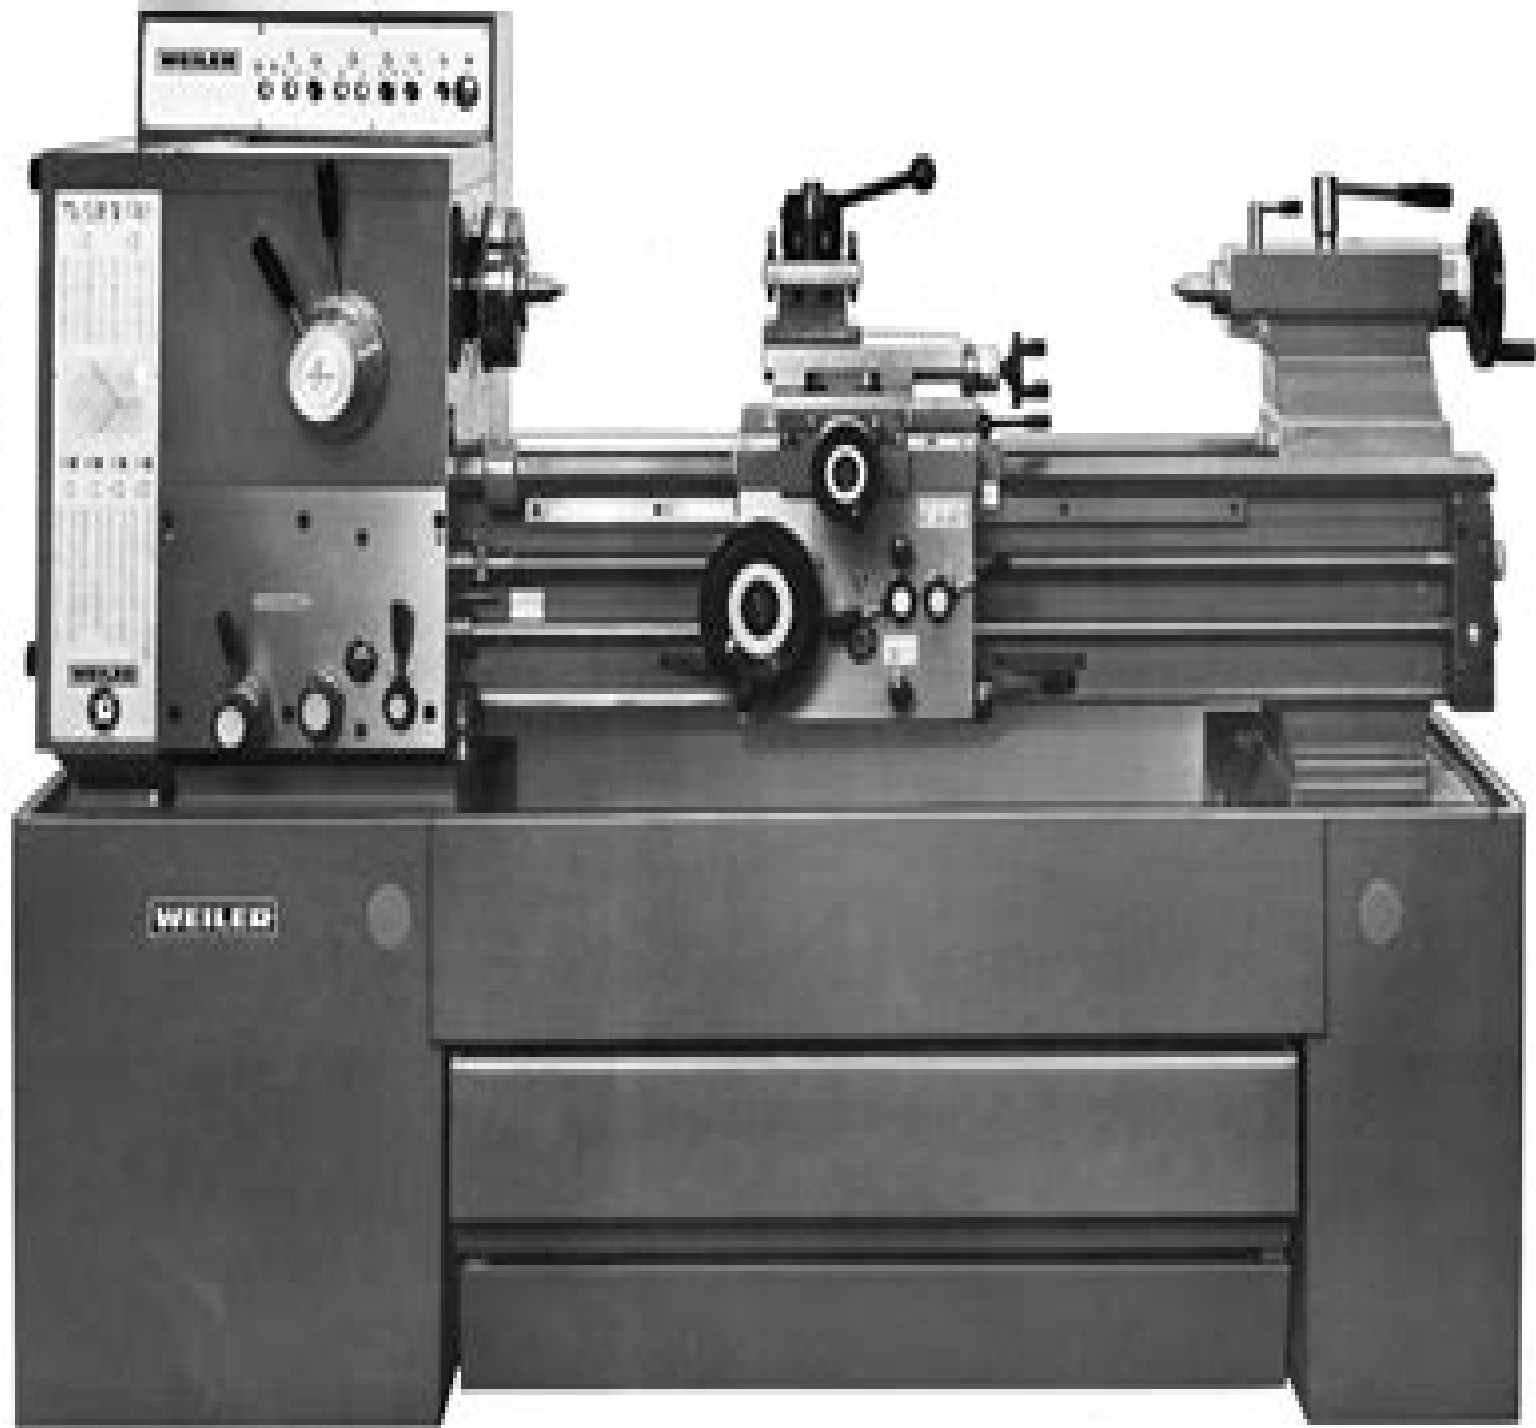

We assume that you have been perusing this technical information for some time and that you have assimilated some of the main features. WELER know, that their customers rely on a high accuracy, which is as important as the flexibility obtained by the modern concept of all the precision machines manufactured by the firm of WELER.

We believe you will agree with us, when you look at the illustration on this page, that we have incorporated in its design the theoretical wishes of users in regard to the layout of the operative elements, which have been combined with high performance, and durability.

The design includes adequate oil and coolant space, which combine all the advantages with regard to maintenance and periodical attention, and naturally an automatic lubrication system.

The technical advantages of the COMMODORE are self-evident as Weler have paid attention to detail.

The WELER COMMODORE is a product which leads the field in regard to technical and economic advantages.
