Welcome To Our 2013 Church Anniversary

Jeff Seaton

Welcome To Our 2013 Church Anniversary:

Who's Minding the Story? Jeff Seaton, 2018-07-19 Who's Minding the Story examines the trajectory of the United Church of Canada since its heyday in the mid 1960s. Jeff Seaton argues that the denomination accepted the criticisms leveled at it by proponents of secular theology in the 1960s and made sweeping changes to its practices its presentation of the Christian story and its engagement with the world. Seaton argues that these adjustments which continue to exert strong influence in the denomination today as witnessed in the approaches of influential contemporary United Church leaders John Pentland and Gretta Vosper have seriously weakened the United Church's Christian identity and contributed to its decline. Engaging the work of Canadian philosopher Charles Taylor in his magisterial volume *A Secular Age*, Seaton questions the assumptions that undergird secular theology. The book concludes with an invitation to the United Church to make a course correction by reengaging with the Christian tradition while maintaining its commitment to social justice in a formulation Seaton names progressive orthodoxy. *The Evangelical Herald*, 1923 *Global Renewal Christianity* Amos Yong, Vinson

Synan, 2015-05-15 The growth of Spirit empowered Christianity has been nothing short of phenomenal. From a handful of believers in the early twentieth century to a global movement today numbering over 600 million people in almost every culture and denomination, those who embrace the Holy Spirit and His gifts are now the fastest growing religious group in the world. This book is an authoritative collection from more than two dozen leaders in and scholars of the Spirit empowered movement in Asia and Oceania. Focusing on the future of the movement, these world renowned scholars address the theological and cultural challenges of the new century and share emerging insights on how the next generation will face them. *Congressional Record* United States. Congress, 2012 **An Interweaving Ecclesiology** Mark Scanlon, 2021-11-30

What is church? What spaces does church occupy? Can ecclesial space exist beyond the boundaries of church? In *An Interweaving Ecclesiology*, Mark Scanlan offers a fresh vision of Christian community as constructed for and by participants as potential ecclesial spaces combine to create an experience which we call church. Drawing in particular on research into the dynamic between youth groups and the churches within which they operate, Scanlan brings us a distinct approach to the church in mission that can nuance and develop the tired and sometimes flawed thinking around Fresh Expressions and pioneer ministry. Combining deep ecclesiology with a practical approach, this book will be useful to students and scholars of pioneer and youth ministry and those with a wider interest in how churches operate. **Chase's Calendar of Events 2013**
