ritualized spectacle of great cultural importance in Greece as well as an international communion that celebrated both diversity and unity but most importantly it was an ode to the strength of the human body and a paean to the vigor of the human spirit For over a thousand years from the 8th century BC to the 4th century AD competitors and spectators traveled from all over Europe and Asia Minor to attend the legendary contests bringing with them not only their passion for athletics but also their poetry music arts and ideas The ancient historian Strabo captured the spirit well when he described the
