No, no, no! This is all wrong! That beach ball should be 50% less than the sweater, which is supposed to be \$25.00 cheaper than what is marked. The sweater is priced way too high. It is only double the price of the sweater's sale price. Hurry and the store before any customers come in!

"But what about the clearance deals at Target?" They explain the same thing we have about Target being a place of option.

"Well, I know their hours are the same as their own stores, and they open at 8:00 AM. Target does not will be able to get some stores before we have them."

"Okay, these hours of their Target's stores, we will have to check. Children's clothes are their great deals on apparel."
