**Return on Engagement** Tim Frick, Kate Eyler-Werve, 2014-07-17 In the world of web design if one wants to create a successful web site one needs an effective content strategy. *Return on Engagement* shows web designers and developers how to implement an effective content strategy and how to stay ahead in the rapidly changing industry of web design. It presents best practices in terms of web design through a marketing function content strategy, SEO, social media marketing, and success measurement to help web designers implement a strategy that ensures success for the site they are building. *Return on Engagement* shows web designers and developers how to not just design an aesthetically pleasing functional website. This book shows those professionals how to implement marketing strategies and analysis into their website thus ensuring its success. Nearly 3 years since the previous edition published, new best practices have been formed. Tools in which web developers use to analyze website metrics have advanced. New social media networks and communities have cropped up. New research in how audiences read and receive content has been done, subsequently refining best digital marketing practices. *Return on Engagement* features a step by step breakdown of how to use new tools, techniques, and technologies. The new edition also includes updated case studies of industry leaders who implement best practices on projects. *Return on Engagement* also features a regularly updated companion site that offers readers sample content, easy sharing tools, and web based resources to help measure marketing viability of web properties.

**Return on Courage** Ryan Berman, 2019-01-15  
Unlock Courage: What do an astronaut, a Navy SEAL, the cofounder of Method, the former VP of communications at Apple, and the president of Domino's all have in common? Ryan Berman spent three years shadowing the most courageous people and leaders on the planet to find out what they have done to accomplish liberating personal or business feats. Fifty-two percent of Fortune 500 companies from the year 2000 are now extinct and 80 percent of all start-ups will fail within their first 18 months. Yet there's a lack of urgency to address this callous reality across the board in most organizations. And the solution can be unlocked with courage. *Return on Courage* (ROC) is the go-to courage instructional manual that helps readers attack and shrink business fears head-on. They will learn how to relentlessly play offense, drive change, and transform into a Courage Brand. ROC can be the secret weapon to innovating new products and services, maximizing ROI, and revolutionizing their industry.
