Sustainable employment Great Britain: National Audit Office,2007-11-14 This NAO report examines the subject of sustainable employment and the options available to support people in their efforts to maintain their work and advance in their roles It has been prepared against a background of considerable focus and activity on skills and on employment in particular the Leitch review ISBN 97801108404860 as well as the Department for Work and Pensions In Work Better Off Cm 7130 ISBN 9780101713023 Sustainable employment is at the centre of the Department s work to help low skilled people into work and out of poverty A number of recommendations are set out including that more and better information is needed on how long jobs are sustained and to identify the people most at risk of early exit sustainable employment can be improved by a programme of targets that take account of both job duration and individuals aggregate employment that an ongoing development of economically valuable skills is a key element of sustainable employment along with better integration between employment programmes and programmes for raising skills that the Train to Gain programme needs to achieve a good balance between focusing on hard to reach employers and engaging employers in raising skills *Beyond Design* Sandra J. Keiser,Deborah A. Vandermar,Myrna B. Garner,2022-01-01 The Synergy of Apparel Product Development Fifth Edition maps the processes required to bring apparel products from concept to consumer This full color text takes students step by step through the decision making involved in the pre production processes of apparel product development including business creative technical and production planning Updated chapter content reflects evolving industry practice It demonstrates how these processes must be coordinated to get the right product to market when consumers want it and at a price they are willing to pay in an increasingly digital environment The text seeks to address how functional approaches vary depending on a business s size and fashion focus More global in scope the fifth edition includes examples and case studies of multi national companies and incorporates global nomenclature when it differs from the US industry This new edition also advances its discussion of how new technologies continue to shorten the product development calendar The book is written to help students anticipate the chaotic pace of change not only in fashion trends but also in the fashion system itself
