## Halloween Costumes Latest Returns:

**No Return** J. C. Sillesen, 2006-12 Opera student Christine Daly doesn't pretend she has the world all figured out but she's made her way in it the best she can ever since being orphaned while still a schoolgirl. Determined to leave her tragic past behind she dreams of making a name for herself on the stage someday. Born to power and wealth Erik Deitrich has everything a man could hope for except a face he can show to the world. He becomes obsessed with finding the one woman who can fulfill his desire of possessing a modern day Christine Daa to his deformed Phantom. When Erik Deitrich learns of Christine Daly's existence he stops at nothing to claim her. Once he does he uses every means at his disposal to ensure she will fall in love with him without stopping to think what might happen if he fell in love with her. [Return of the Party of Nine](#) [Life with Sextuplets + One](#), 2008-11 *Nightshade Box Set (The Island, The Return, & Nightshade)* Anthony Izzo, 2025-04-28 The three books in the Nightshade series are now available in one collection. The Nightshade corporation deals in unusual specimens. Monsters of legend thought only to exist in the imagination. The horror began with The Island where the Nightshade corporation offers a tour for paying guest. A tour where monsters of legend are real. The story continues in the Return where Nightshade operatives go back to the island the scene of the initial carnage. Then a new terror is unleashed in Nightshade as a series of werewolf attacks threaten a small town. A small town sheriff soon learns who is behind unleashing the ravenous monsters on her community.

[Soldier from the War Returning](#) Thomas Childers, 2009 One of our most enduring national myths surrounds the men and women who fought in the so-called Good War. The Greatest Generation we're told by Tom Brokaw and others fought heroically then returned to

America happy, healthy and well-adjusted. They quickly and cheerfully went on with the business of rebuilding their lives. In this shocking and hauntingly beautiful book historian Thomas Childers shatters that myth. He interweaves the intimate story of three families including his own with a decades-worth of research to paint an entirely new picture of the war's aftermath.

Drawing on government documents, interviews, oral histories and diaries he reveals that 10,000 veterans a month were being diagnosed with psycho-neurotic disorder now known as PTSD. Alcoholism, homelessness and unemployment were rampant, leading to a skyrocketing divorce rate. Many veterans bounced back but their struggle has been lost in a wave of nostalgia that threatens to undermine a new generation of returning soldiers. Novelistic in its telling and impeccably researched, Childers's book is a stark reminder that the price of war is unimaginably high. The consequences are human, not just political, and the toll can stretch across generations.
