Fortunato Ph. D., 2023-06-12 Miracle of Effort Thalia s Autism Journey is the story of Thalia being diagnosed with autism spectrum disorder when she was two years old and her journey to graduating college and becoming an elementary school teacher Through Thalia s journey this book aspires to offer a sense of what children with autism and their families go through The book takes the reader through the experiences the emotions the challenges confronted the sacrifices demanded and the decisions that needed to be made at different stages of a child s life Thalia s family is at the center of this story There were several critical decisions made by Thalia s parents Donnie and Lorena They were confronted with a traumatic reality that required perspective and patience while fighting through moments of despair and sadness It was Donnie and Lorena s determination that they would be part of the solution for their daughter that shaped Thalia s journey It is Donnie s cousin Lisa who noticed Thalia s autistic behavior symptoms and delivered her initial learning therapy sessions Each child that is diagnosed as being on the autism spectrum will have a different experience with the disorder No two situations are the same The following is Thalia s unique autism journey Her Miracle of Effort The book is intended to offer hope to the many families that are confronted with this disability As Thalia says an autism diagnosis does not mean that a child cannot be successful It just means that he or she will see the world in a different light Thalia s simple hope is to inspire autistic individuals to live up to
