The NFL's Greatest Day Brad Schultz, 2019-08-22 A tight dramatic NFL playoff game is exciting on its own but two of the most dramatic in the same afternoon might result in the most compelling day in football history This book is the first to capture the excitement and tension of December 23 1972 when Pittsburgh played Oakland and Dallas met San Francisco in a pair of first round playoff games that captivated millions One game saw Dallas rally from three scores down in the fourth quarter while the other featured the most famous ending in league history the Immaculate Reception This book details both high stakes games as well as the historic season that led each team to the 1972 playoffs Also covered are the men behind the miracles some captured the moment to become heroes and legends while others let success slip through their grasp Two games one afternoon countless memories Pro Football Championships Before the Super Bowl Joseph S. Page, 2014-01-10 While the Super Bowl has become a worldwide cultural event the annual league championship games had a long history even before the first Super Bowl in January 1967 From the first American Football League's attempt to settle the league title on the gridiron in 1926 to the separate NFL and AFL championships of the 1965 season this history offers a narrative of each game including line ups box scores and team statistics Last Team Standing Matthew Algeo, 2013-09-01 During World War II the National Football League faced a crisis unimaginable today a shortage of players By 1943 so many players were in the armed forces that the league was forced to fold one team and merge two others the Pittsburgh Steelers and the Philadelphia Eagles the Steagles Its roster that included military draft rejects aging stars lured out of retirement and even a couple of active servicemen who managed to get leave for the games The team's center was deaf in one ear its wide receiver was blind in one eye and its halfback had bleeding ulcers One player was so old he'd never played football with a helmet Yet somehow this motley bunch managed to post a winning record the first for the Eagles and just the second for the Steelers But Last Team Standing isn't just about football It's also about life in the United States during World War II a time of fear and hope of sacrifice and momentous change It's about rationing racism and Rosie the Riveter It's about draft boards bond drives and movie stars Above all it's about the men and women of the Greatest Generation who couldn't fight but helped win the war in immeasurable ways **The People's Team** Mark Beech, 2019 The Packers the only fan owned team in any of North America's major pro sports leagues and Green Bay population 104 057 is the smallest city with a big time franchise They're unlikely candidates to be pro football's preeminent team yet nobody in the NFL has won more championships In honor of the team's 100th anniversary Beech paints compelling pictures of a franchise a town and a fan base from the days of the French fur traders who settled on the shores of La Baie in the seventeenth century to the team's pursuit of its fourteenth NFL championship adapted from jacket **J2EE and JAX** Michael Yawn, Mike Yawn, 2002 CD ROM contains Source code Tools for developing and deploying Web services **NFL Official Encyclopedia of Football** Don Smith, 1989-07 Glossary of terms histories of every team in the NFL The great moments in pictures many in full color biographies of every member of
