An Heir by Arrangement Arden Veycroft, 2025-12-15 A billionaire with a legacy to save A woman with nothing left to lose One arrangement that changes everything Callum is one of Boston s most powerful CEOs Cold controlled and relentlessly successful he built an empire to bury the scars of a shattered past But money can t give him the one thing he

needs to secure his family's future and heir. Determined to rewrite the Lowell legacy, Callum makes a decision that will alter his life forever. He searches for a woman willing to have his child, no emotions involved. Enter Isla. Every cent she earns goes toward caring for her mother, who is battling ALS. Motherhood feels like an impossible dream until a discreet advertisement places her face to face with a man who offers her stability, security, and a future she never imagined. What begins as a strictly defined agreement quickly unravels as desire, vulnerability, and forbidden feelings blur the lines. Because some contracts aren't meant to be honored and some hearts refuse to stay uninvolved.

The Wild Diet Abel James, 2015-04-07 The creator of The Fat Burning Man Show shares his revolutionary Paleo-inspired weight loss program. Every month, half a million visitors download The Fat Burning Man Show, eager to learn the secret of Abel James's incredible weight loss success. Growing up on a defunct farm in the backwoods of New Hampshire, Abel had easy access to a host of natural foods that a backyard garden could provide: eggs, fresh produce, and real butter. But

as he got older he started eating a modern diet of processed foods and by his early twenties Abel found himself with high blood pressure insomnia acne digestive problems and love handles Following the typical dieting advice of eat less exercise more and despite running thirty miles a week and nibbling tasteless low fat low calorie food his health only worsened as his waistline expanded In an effort to gain control of his health Abel dug deep into nutrition research and discovered that everything he d been told about low calorie eating was wrong He realized that our bodies are wired to eat luxuriously and burn fat as long as we re eating real natural foods that are grown on a farm and not in a factory Incredibly after just a few days of eating a Paleo inspired diet of the most delicious wild foods that were rich in fat and fiber Abel s health problems began to disappear And after forty days and radically cutting back his exercise routine he had lost twenty pounds The Wild Diet is the book Abel s hundreds of thousands of fans have been clamoring for At a time when our collective health is failing Abel sounds a clarion call to announce that good health doesn t live in a pill exercise program or soul crushing diet The secret is simply getting back to our wild roots and eating the way we have for centuries **Drive Me Crazy** Jeré
