The Idea of the Avant Garde Marc James Léger, 2019-10-15 The concept of the avant garde is highly contested whether one consigns it to history or claims it for present day or future uses The first volume of The Idea of the Avant Garde And What It Means Today provided a lively forum on the kinds of radical art theory and partisan practices that are possible in today's world of global art markets and creative industry

entrepreneurialism This second volume presents the work of another 50 artists and writers exploring the diverse ways that avant gardism develops reflexive and experimental combinations of aesthetic and political praxis The manifest strategies temporalities and genealogies of avant garde art and politics are expressed through an international intergenerational and interdisciplinary convocation of ideas that covers the fields of film video architecture visual art art activism literature poetry theatre performance intermedia and music

Makers at Work Steven Osborn, 2013-09-27 What do you get when you combine an electronics hobbyist hacker garage mechanic kitchen table inventor tinkerer and entrepreneur A maker of course Playful and creative makers are through expertise and experimentation creating art products and processes that change the way we think and interact with the world As you'll see from the 21 interviews in Makers at Work inquisitive makers are just as apt to pick up a laser cutter or an Arduino as a wrench to fashion something new For example you'll meet Jeri Ellsworth who might provide a video lecture on magnetic logic one day and a tutorial on welding a roll bar on a stock car the next You'll also meet Eben Upton who put cheap powerful computing in the hands of everyone with the Raspberry Pi Becky Stern who jazzes up clothing with sensors and LEDs and bunnie Huang who knows the ins and outs of the Shenzhen China electronics parts markets as well as anyone As all the interviews in Makers at Work show makers have something in common reverence for our technical past coupled with an aversion to convention If they can't invent new processes or products it's simply not worth doing Crazy as foxes makers working in the spirit of Tesla Wozniak Edison Gates Musk and many others can bring sophisticated products to the people or to the market as fast or faster than large corporations And they are not just enabling

new technologies and devices they are changing the way these devices are funded manufactured assembled and delivered Makers at Work puts a spotlight on the maker mindset and motivation of those who are reinventing the world one object or idea at a time You will Meet the individuals who define what it means to be a maker Learn about the tools and technologies driving the new industrial revolution Discover ways to scale your weekend project into a profitable business See how others have used to crowdfunding to make their visions a reality Learn how open source hardware and software is enabling whole new categories of products by removing barriers of entry for inventors The new masters of the Makersverse ask two questions Can it be done Is it fun As these interviews will show the answer to both questions is Let's find out [Centering Humanism in STEM Education](#) Bryan Dewsbury, Susannah McGowan, Sheila S.
