

## Persuasive Speech Outline: Volunteering

I personally have volunteered at numerous events and locations such as Sonorously, an anti-drug and bullying program for fourth and fifth graders, and my local elementary school. I too have experienced this Warm fuzzy feeling that you get after you help others. However, contrary to some people's beliefs, these temporary good feelings are not the only benefits of volunteering. Volunteering has social benefits, physical and mental health benefits, and career benefits as well. College students lack many of these benefits in their own lives but can easily fulfill their need for these elements through volunteering.

This is why all college students should participate in some type of volunteer work. I. (Need): College students often have social, physical and mental health, and career problems. A. Colonization is crucial for the development of college students yet it is frequently hard to obtain. 1. Antonio Losing, in an article in the Journal of Higher Education, states that "Interpersonal interactions are a primary contributor to [students'] overall development in college." 2. However, almost half of the class indicated that, as college students, it is radar groups. O connect with others and make friends outside your normal social our 3. Therefore, this difficulty in colonization and finding new friends can harm personal growth. B. Additionally, college students often battle with health problems. 1. Twelve out of seventeen people in the class believe college students are more prone to developing physical and mental health problems than other a. Many of you indicated your concern with physical health problems such as easily becoming sick. Using drugs, drinking, smoking, getting little and having poor nutrition. Sleep. .

Others stated college students struggle with mental health problems such as depression, anxiety, and stress. A 2004 survey done by the American that "nearly half of all college students" 2. According to www. Healthfulness. Org. College Health Association revealed report feeling so depressed at some point in their teeny have trouble the criteria for clinical depression." Tunneling, Ana Tinted percent meet C. It is also difficult for college students to obtain skills for future careers and find jobs once they graduate college. 1. An article on website life. Malediction. Com, written by Susan Shelley, claims the that "for many new graduates, figuring out what to do after college is biggest initial challenge." 2. Shelley explains that "studies show that most college graduates do not make a seamless transition from student to employed person" and "it can take a while to find a job." Connective: Students in college evidently face many challenges; however, these challenges can be alleviated. II. (Satisfaction): College students can eliminate many social, physical and mental health, and career problems by simply volunteering. A.

**Communication in a Civil Society** Shelley D. Lane, Ruth Anna Abigail, John Casey Gooch, 2024-03-06 Using the concept of civility as the major theme this fully updated second edition offers a unique and alternative way to teach and learn about communication. The book brings together discrete areas that explore the fundamentals of communication and intrapersonal communication, interpersonal communication, small group communication, and public speaking. Every chapter includes theories, concepts, and examples that allow students to use civil and ethical communication skills in their personal relationships in collaboration with colleagues and in giving public speeches and professional presentations. This new edition highlights advances in and concepts related to mediated and technology-based communication such as chatbots, technostress, and dating apps, and shows how students can engage in civil face-to-face and mediated interaction. Additionally, each chapter includes a real world incident that students are asked to analyze in terms of specific chapter information and skills related to civility. *Communication in a Civil Society* is an ideal textbook for Introduction to Communication, Interpersonal Communication, and Public Speaking courses. Materials for instructors including PowerPoint slides, a test bank, and an instructor's manual are available at [www.routledge.com/9781032513263](http://www.routledge.com/9781032513263)

**Communication** Daniel M. Dunn, Lisa J. Goodnight, 2016-05-23 *Communication: Embracing Difference* 4e stresses the importance of understanding and celebrating difference as a means to becoming a more effective communicator. This text describes basic communication theory in everyday non-technical terms and offers students an abundance of opportunities to analyze, understand, practice, and apply skills to real-life situations presented in the book and encountered in their own daily lives. *Communication: Embracing Difference* emphasizes the practical application of communication skills in interpersonal, small group, and public settings, which will help students become more confident and successful communicators. Targeting both mainstream students and non-traditional students who range widely in age, ethnicity, race, religion, sexual orientation, social roles, and socio-economic status, this text is designed with an overall approach that resonates with the diverse student populations making up so many campuses today.

**Community-Based Transformational Learning** Christian Winterbottom, Jody S. Nicholson, F. Dan Richard, 2020-05-14 Rooted in the work of community school collaborations, this text focuses on connecting the rigors of the classroom with the ambiguity of lived community experience. *Community-Based Transformational Learning* (CBTL) draws on the increasing evidence that course learning conducted in an applied community setting can positively transform students' professional and personal identity and creates new ways of thinking and working in university courses and pre-professional experiences. To illustrate the different ways to successfully implement community-based learning, examples are provided of experiences integrated in courses across multiple disciplines across an American university whose mission is focused on teaching. Topics covered include refugee and immigration, transition issues, incarceration, and health needs, with international examples of community experiences from Jamaica, Korea, and Belize. Qualitative and quantitative data depict how these

experiences impact students and each chapter presents how community engagement has been established as an effective approach in the different disciplines including computer science and sports management The authors demonstrate how CBTL experiences can be transformative when students are provided a chance to connect the academic commitment to community aims but also provides suggestions for overcoming challenges and pit falls in developing these experiences The Quarterly Journal of Speech Education ,1921 English, Grades Ten, Eleven, and Twelve.
