### Foreword

The descriptions and service procedures contained in this manual are based on designs and methods that were current at the time of issue.

The products are under continuous development. Changes and improvements produced after the issue date may therefore have different specifications and repair methods. When this is judged to have a significant bearing on this manual, supplementary service bulletins will be issued to cover the changes.

The new edition of this manual will update the changes.

In certain publications, where the title indicates an operation number, this is a reference to VDT (Volvo Standard Terms).

Service procedures which do not include an operation number in the title are for general information and no reference is made to VDT.

The following terms of instructions, cautions and warnings are used in this Service Documentation:

**Note:** Indicates a situation, practice, or condition that must be followed in order to have the vehicle or component function as the manufacturer intended.

**Caution:** Indicates an unsafe practice where damage to the product could occur.

**Warning:** Indicates an unsafe practice where personal injury or severe damage to the product could occur.

**Danger:** Indicates an unsafe practice where serious personal injury or death could occur.
