What Is the World Series? Gail Herman, Who HQ, 2015-06-23 Strike you re out He s safe Homerun Every October millions of baseball fans around the country anxiously wait to see which team wins baseball s biggest championship But the original games of the 1900s hardly look like they do today Take a look back over one hundred years and discover the history of baseball s greatest series With triumphs heartbreak and superstitious curses this action packed book brings America s Pastime to life

The World Series, 1986 *Baseball on the Brain* Dennis Purdy, 2007-01-01 There s trivia and then there s knowledge deep extensive obsessive knowledge masquerading as trivia It s the kind of trivia that if you know the answer makes you feel triumphant and if you don t gives you an education The kind of trivia based not on what we shouldn t be expected to know but on what we should if we re to consider ourselves true fans Dennis Purdy author of the just published Team by Team Encyclopedia of Major League Baseball has been collecting baseball trivia since before he could shave and now presents the best of the best a massive collection of over 1 000 trivia games Not solo questions but half page games every one involving matching multiple players to their accomplishments or evaluating multiple clues to discover a mystery subject s identity or digging deep into a round up of terms nicknames phrases awards events individual teams locations and more The games cover three centuries of baseball history Home run calls and the announcers who made them famous The peculiar geography of a baseball field where s the garden the gateway the firing line Inimitable slang cackler chucker clinker and squibber The lesser known career feats of baseball s Big 3 Ruth Aaron and Bonds World Series potpourri They won the first night game in World Series history The team that lost the most World Series 13 The only American League team to lose the World Series in three consecutive seasons And much much much more

Statistical Encyclopedia of North American Professional Sports K. Michael Gaschnitz, 2008-09-18 This reference work updated since the 1997 edition provides comprehensive information on the major professional leagues in North America baseball basketball football hockey and soccer Arranged chronologically the entries for each league in each sport include individual statistical leaders championship results major rules changes winners of major awards and hall of fame inductees

The Cultural Encyclopedia of Baseball, 2d ed. Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America s culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major Leagues decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents

Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs
