from around the world amounting to its 1.39 billion users. The website gained popularity by providing an easy means of communication between people. Instead of having to send several messages to different people about how you are doing, you can post one update on Facebook to alert everyone. It also allows you to share pictures and other media with multiple people simultaneously, creating simpler and faster communication. More and more people join the network daily, and the fastest growing demographic of users are in the age group of 55 and over, proving that Facebook is no longer a network limited to teenagers and young adults. People of all age groups and backgrounds recognize the value in the services it provides, which is why Facebook has become a social buzzword because of its prominence in modern culture and interaction. **HTC**

**ThunderBolt For Dummies** Dan Gookin, 2011-06-28. Full color guide to the exciting HTC Droid ThunderBolt. Now that you've got your high powered new HTC ThunderBolt smartphone, you've got to figure out how to use it. If you're more than a little intimidated by the technology and somewhat put off by the formal documentation, this book can help. Written in the fun but clear and thorough For Dummies style, this book answers all your questions about Verizon's first 4G LTE Android device and helps you get the very most out of it. Helps you get up to speed quickly on how to use the ThunderBolt smartphone. Delves into the basics how the technology works, how to configure everything, and how to purchase apps through the Android Market or Verizon's AppSphere. Delivers a full slate of how-to's, tricks, features, and techniques, all in full color. Covers everything you need to know, including setup and configuration, texting, e-mailing, accessing the Internet, maps, navigation, camera, video, and synching with a PC. Shows you how to customize your HTC ThunderBolt, how to maintain it, and how to expand or upgrade it with new software. Once you learn all the bells and whistles, you'll be overjoyed with your new Android device. The fun starts with **HTC ThunderBolt For Dummies**. *The Rough Guide to Social Media for Beginners* Sean Mahoney, 2012-07-05. If you haven't joined the social media revolution yet, don't fret; there's still time. But with so much out there, where do you even start? Something more than a text message, something less than a phone call, not engaging in these new types of online social messaging could mean you are missing out on the action without either friends or followers. Business, leisure, and everything in between is covered, and this guide walks the uninitiated through setup to maintenance and gives you the skills to make your pages lively and relevant to the people you know or work with and the folk you're about to meet or reach out to. The term social media covers an ever-expanding suite of apps, blogs, and wikis, but this book focuses on the most popular and personal forms of social media: Facebook and Twitter. Significant attention is also paid to Google, the latest direct challenge to Facebook's overwhelming dominance of social networking.
